

## Sanitary Cover for Q-Rohr®-3

- Cleaning procedures in your plant are kept to a minimum
- Cost-saving
- Fulfills highest hygienic requirements
- Easily slips over the Q-Rohr®-3 and may be washed or replaced depending on your individual requirements
- Regular Q-Rohr®-3 cleaning is no longer necessary
- Maximum venting is guaranteed by the light-weight and highly porous material
- Sterile and hygienic areas can be easily protected by optional Q-Rohr®-3 sanitary cover
- Perfect suitable with original Q-Rohr®-3 and retrofitting ECO-Q-Rohr®
